BEWARE OF IMPOSTERS!

Before seeking oral care from anyone, please be sure that the individual or clinic you are considering is properly registered and licenced as a Denturist in Manitoba!

The list of licenced and registered Denturists in Manitoba can be found via our official website at denturistmb.org and simply clicking on the "Find a Denturist" at the top and search by the person's first or last name, clinic name or address.
